Unsecured Personal Loans

Take care of those unplanned expenses or consolidate your debt with a personal loan. No collateral is required and there are no pre-payment penalties.

Payday Alternative Loans

Need a little cash to tide you over between paychecks but don't want to take out a high-cost, high-risk payday loan? Save yourself lots of money in fees and interest with a P.A.L., available in amounts of \$100-\$500.

Savings Secured & Certificate Secured Loans

These loans are secured by the funds in the member's savings or certificate account at Clearwater. A member may borrow up to 100% of the amount in their savings or certificate account.
